

Welcome to the Noise Town!

The Unwriters, up-and-coming band,
announce their new Sonic Nectar Music
album and first **Single**:
Miracle On The 7th.

Belluno Italy, june 2019. For Immediate Release.

- The **first EP** was recorded quickly (Three days). They mixed new and old sounds. **Great** feedbacks from all people around. **Positive** energy. The band decided to push-up the **second EP** through something **special..**
- **Pat (Drums)** suggested: “**Tomorrow Never Knows** could be a great cover! .. A Beatles cover? But that song is **Iconic..!** Not an easy one to pull-off...” Thanks to him.
- The **invisible** to the **Touch!** They painted 3 songs, adding to the new album the **real** colors and graphics. The single “**Miracle On The 7th** (Way back Home)” was written during the cover rehearsal session, opened up the spirit to mix it urgently to another **dimension!**
- **Six** tracks: **4 songs** were recorded **Live Studio**. **Two others** were worked out in the same conditions but the band produced them way further than before. Instead of the first album, that one took more **sweat and troubles.**
- **Groove**, Rock, Pop, Psychedelic Jam, Fusion, Acoustic ballad, Funky, **Catchy** Melodies and **Solid** Riffs, well-crafted, running and driving to the “**Sonic Nectar Bursting Alive Sound!**”
- Second album title: **The Unwriters**
- All tracks **written** by **Z** (Except cover). **Produced** by The Unwriters in **analog System Tape Reel-To-Reel** and Digital.

- **Four-piece**, 4 different countries (France, Italy, UK, USA) gave life to this band on July 2018. A chance they live in the same state.
- A **concept** “Ghost Band”: **Anonymous** we are, Anonymous we will stay. The **Music first must shine!** Other mates did it: **Daft Punk..**
- Great experiences in the **Underground** since twenty five years: Gigs, studios, many sessions in Berlin, Paris, Amsterdam, Liege, London, New-York City, San Diego, Venice, Rome, Madrid, Copenhagen etc..
- The **sonic** nectar of the music shake them up to play **together**.
- The founder of the band is the songwriter, the co-founder, his **Soul** Mate/Wife.
- **Z** (Zepop): Songwriter, guitars, lead vocals.
Twister (She): Keyboards, piano, vocals, tambourine.
Mel: Bass, guitar, vocals.
Pat: Drums and percussion.
- **Influences**: 1st The **Blues!** Also, from **Bach** to Keith **Emerson**, Buddy Rich to **Bonzo**, Dylan to David **Byrne**, Robert Johnson to **Hendrix**, Lou Reed to Paul **Weller**, Mingus to **Pastorius**, **Coltrane** to Zappa, **Lennon** to Syd **Barrett**...

- **The Unwriters** are planning gigs, new songs are on the sheet music already. All mics and instruments are always plugged. The group paint hard their noises and they love that!
- Some radios confirmed they will play the first single: **Miracle On The 7th (Way Back Home)**.
- However, you should still be prepared for some **music turbulence**.
